

“One thing I know: that
though I was blind,
now I see”

John 9:25

Why do we need the **personal experience in our relationship with the Lord Christ?**

**1. It is the strongest motive to
FOLLOW Him.**

2. It is our **COMFORT** during
times of hardship.

3. It is what makes our **WITNESS
sound and persuasive.**

4. It is the **ANCHOR** against
devilish doubts.

**5. It is the cornerstone in
KNOWING and LOVING God.**
