

**Am I a Slave to the
Love of Money?**

1.

**When I am tempted to gain
money even by breaking
God's Commandment by
stealing, cheating and
manipulating others**

2.

**When I covet and envy others
because of what they
possess.**

***“The story of Naboth the
Jezreelite” (1 Kings 21)***

3.

**When my struggle to gain
more money leads me into
conflict with my brethren or
to even lose them forever**

4.

**When I find it very difficult to
pay my tithes or respond to a
need for the “brothers of the
Lord”**

5.

**When my desire to be rich
overwhelms my life and leads
me to forget my relationship
with God and preparing for
my eternity**

6.

**When I am tempted to earn
money without exerting the
necessary effort: gambling**

7.

**When I worry too much about
the future to the degree that I
become anxious and lose my
peace**

8.

**When money is a reason for
me to grumble against God**

9.

**When I deny myself or my
family the most necessary
needs for the sake of saving
more money**
