

“But seek first the kingdom of God and His righteousness, and all these things shall be added to you”

Matthew 6:33

**How do CONTENT people
live?**

**1. They acknowledge
God's work in their lives**

2. They believe that what is given to them is much more than what they deserve.

**3. They work for today
and plan for tomorrow
with confidence in God
who controls everything.**

**4. They accept,
peacefully, that they
may be lacking certain
things in life.**

**5. They do not complain
against God's will and
wisdom.**

**6. Their eyes see what is
good in others.
They wish for every one
to be prosperous.**

**7. Their main focus is on
the End,
the needs of others,
and their hearts' purity.**
