

Things to Remember in Spiritual Warfare

Rule 1

- ▶ We are in a war, even if we do not realize it.

"For we do not wrestle against flesh and blood but against principalities, against powers, against the rulers of darkness of this age" (Ephesians 6:12)

Rule 2

- ▶ Demons are very powerful, yet they have no authority over you unless you allow them.

Rule 3

- ▶ The more you are detached from the love of the world, the less the temptation.

Rule 4

- ▶ Beware of small demons. Their victims are many more than those killed by the more famous ones.

(Example: the demons of "*tomorrow*", and "*what harm will it do?*")

Rule 5

- ▶ To win the war, you have to ask God to fight on your behalf and to watch over yourself: *"Be sober, be vigilant; because your adversary the devil walks about like a roaring lion, seeking whom he may devour"*

(1 Peter 5:8)

Rule 6

- ▶ Resist with faith and never lose hope:

"Resist him, steadfast in the faith"

(1 Peter 5:9)
