

The War of Doubts

This was the first war

- Against the meaning of His words
- Against His love for mankind and His wisdom
- Against His justice

And it is still...

- Against His promises
- Against His existence
- Against His Life, Death, and Resurrection

How do the evil seeds of doubt grow?

- By ignorance and superficiality
- By an absence of a personal relationship
- By placing more trust in the senses and one's mind than in God
- By bad company
- By abiding in a sinful life
- By pride
