

“This Man, if He were a prophet, would know who and what manner of woman this is who is touching Him, for she is a sinner.”

Luke 7:39

**Things to remember before
judging others' worthiness or
economy**

1. Am I aware of all the facts that led this person to sin or another to his decision?

2. Am I fully acquainted with my debts and my shortcomings in managing my own life?

3. Given the same opportunity to be in the presence of God, did I make use of it?

**4. Looking inside myself,
where is my true focus?**

**5. By these three:
Love, Humility, & Repentance,
are we to receive forgiveness
and not by judging and
condemning others**

Things to remember before judging others' worthiness or economy
